

Prof. Dr. **Nicole Anderson**, Arizona State University, USA

Professor Anderson research specializes in cultural and media studies, and philosophy. She currently holds the position of Director of the Institute of Humanities Research at Arizona State University after severing for seven years as the Head of the Department of Media, Communications, Creative Arts, Language and Literature at Macquarie University.

Professor Anderson's work focuses on the relation of the humanities in all its various incarnations and practices to questions of how we come to understand ourselves. Anderson is the founding editor of the philosophy journal: *Derrida Today* published by Edinburgh University Press since 2008. In addition, she is the Executive Director of Derrida Today International Conference P/L, a forum for academics from around the world to discuss and apply the thinking of Derrida to contemporary world events and issues.
